

THE TWELVE

AS A DISCIPLE

Mission

Our mission is to provide discipleship to youth and children in South Africa, equipping them with the spiritual, educational, and life skills necessary to become transformative leaders in their communities. We strive to create a nurturing environment where young people can discover their God-given potential and positively impact the world around them.

We believe that every child deserves the opportunity to thrive, regardless of their circumstances. Through our programs, we aim to break the cycle of poverty and hopelessness, empowering the next generation to build a brighter future for themselves and their nation, following our Lord and Saviour Jesus Christ.
